

# Welcome to the Social Studies Standards Revision!

All Participant  
June 23, 2021 - DAY 8

# Group Norms

- Speak with the possibility of being heard and listen with the possibility of being changed.
- Everyone has an equal opportunity to share their thoughts and questions.
- We are all here to work together to make the standards stronger for our fellow teachers.
- Be ready to accept non-closure.
- This is a safe space to discuss tough conversations.
- Pay attention to what your peers need (include everyone and monitor your airtime).
- Find and be the positive in the work you do! :)
- Everyone is in charge of making sure the norms are met to ensure success!

# Your Role as a Participant

- Work with your group to analyze state data and other research and pinpoint key details.
- Revise wording and change or add additional wording as the group feels is necessary.
- Make the standards easier to understand and use for all K-12 social studies teachers.
- Work with your group to revise the standards to prepare South Dakota students to be active, aware, and engaged citizens in their city, state, country, and world.
- Work with your group to determine any gaps within the current standards.

# Goals for Today

- Continue the good work!
- Make final adjustments
-

# Goals of the Revision Work

- To collaboratively revise the South Dakota Social Studies Standards using current evidence-based practices, research and data to create a set of Social Studies Standards that reflect current, sustainable best practices that guide teachers and prepare our students to be active, aware, and engaged citizens of their communities, state, country, and world.

# K-12 Progression

---

Review all the progressions and compare flow with your grade level!

# Continuing the Work

---

Finishing adjustments
